

Remember Me Quilt Guild

Unfinished Quilting Objects Challenge

RULES FOR 2017

- Participants need to **identify a maximum of 4 Unfinished Quilting Objects (UFOs)** that they would like to see completed by the end of 2017.
 - A UFO can consist of an unfinished quilt top, table runner, sizable wall hanging, etc. that is in the queue waiting to be finished. **A qualifying project should have been started but never finished.**
 - **DOES NOT QUALIFY:** a new project that you have the pattern and fabric to begin
- List the UFO's on the UFO Challenge Form provided at the January meeting or online. **Turn in the list at the February 2017 meeting and be sure to keep a copy as well.** The lists will be kept by the Challenge coordinators, Iris and Becky.
- At the February meeting, a random number from 1 – 4 will be announced. **The project listed in that slot is the one that the participant will work to complete** by the April 2017 meeting. This allows two full months to complete this project. In April, the **completed projects will be presented at Show and Tell** and the participant's name will be put into a **random drawing for \$25**. The chairpersons will check the winner's original list to verify that they worked on the correct numbered project.

This procedure will be repeated at each of the June, August and October meetings.

Schedule:

- In **February**, the number will be announced for UFO's to be completed by **April**.
- In **April**, the next number will be announced for UFO's to be completed by **June**.
- In **June**, the next number will be announced for UFO's to be completed by **August**.
- In **August**, the next number will be announced for UFO's to be completed by **October**.
- At the end of the challenge, all names that were submitted at any and all of the Challenge Meetings will be put into a **grand prize drawing of \$100**. This winner will be announced at the December Christmas party. The more projects completed means the better chance a participant will have to win the grand prize!!
- Participants can join in on this challenge at any time during the year.

For any questions regarding this challenge, please contact Iris Comeaux (225-936-7249) or Rebecca Stringer (225-964-4586)
